**Chair:** No report

**Vice chair:** no report

**Secretary:** hello all. Minutes on time YAY!! Thank you-alissa

**Literature:** Hello I am an addict and my name is Aaron. Alls going well.on June 6th Literatyre Sub Commitee held a new book review.Living Clean the Journey Continues/ Chapter 4- Our Physical Selves. We found it a very informative and usefull piece of literature. Had good participation and fellowship. Review was forwarded to NA World Services.

Held a biannual inventory audit prior to this months buisness meeting. The audit will be held before next months area buisness meeting. literature sales will be from 2:00-3:00 prior to ASC. Thank you for letting me be of service. Aaron E.

**PR:** We held our monthly meeting yesterday. Our adhoc commitee has not completed the Orientation Package yet, however it will be ready to submitt at our next meeting.

PI is doing well. This month we need our full budget as lack of funds is starting to affect the work we do.

H&I panels continue to go well. WE have two new orientations but more are needed. as well we are noticing our committment to Kitsap County jail is requiering large amounts of literature. however it gratifies panel members to see inmates come in clutching the literatuer in thier hands.

A committee member has noticed that alot of groups are struggling for funds, however the 7th is asked for just before break and 90% of attendance gets up and goes out to smoke never even seeing the basket.

Groups may want to pass the basket just afeter readings.

as elections are near our committee is endorsing Bob R. current vise chair for the PRC chair person.Yours in Service, Ron W.

**Activitys:**

**RCM 1:**Yours in loving service,Blair RCM1

**RCM 2:**

**Treasurer:** My name is Ian and I am an Addict,I've done the usual procedures as being our Area TreasureOur ledger balance is \$25.25. This balance is below our prudent reserve which is \$1000.00. I suggest not making any donations, increasing any budgets or making any extra expenditure from our ASC this month. Warning we are at bare bones operating expenses. This means that our subcommittees may not get their allocated funds for the month. I encourage NA members to become creative in other ways to carry the message of NA.This ASC needs an Alternate Treasurer. So, if you, a sponce or someone you know would like to be in Area Service now is the time to step up. As another heads up to this ASC. I may not be returning as Treasurer come next election.Being the Area Treasurer has given me great rewards as all my service to NA has. Most of all it has enhanced my recovery. I encourage any addict who qualifies for Alternate Treasurer to step up and be a part of.

**C&E:** Hello Family nothing to report here about the C&E Sub committee, other than the 15th annual mobile convention was yesterday.I could not afford to go. But i did attend the WNIRCNA XXV over memorial weekend.it was a balast.

I think that wps activities needs to take advantage of the regions events and activitys insurance polocy. Especially with the Camp-out coming up in august. it is available to us and free and would alleviate

potentially crippling damage payments in the off chance something goes wrong. I will bring this up to area chair today as ever more will be revealed.

I'm gonna miss the July C&E mtg due to an outside service commitment. I will ask Paris if she would like to go in my stead. In my report that I will file electronically I will report about us hopefully having insurance for our events. In Gratefull Service Bonner S.
